## Gifts & Home Decor | Fashion & Accessories

Fall is upon us and with it brings thoughts of back to school, Thanksgiving and Christmas.

We attended the gift show in August and found it to be the best in years! You will therefore find several new product categories and exciting additions to both the Home Decor and Fashion lines.

It's also that time of year when everyone starts cocooning back inside so come in for fresh new decorating ideas. The store has never looked so great!

Visit us on our website or join us on Facebook for a sneak peak at some of the new product lines. Plus, get a head start on Christmas ideas... we have some great ones to share. We've also added several items to our sale racks to make room for our new products.

ps. If you know an upcoming bride tell them about our Sample Sale Blowout! 

recipe of the month.

### Hot Caramelized Onion Dip Mix

Preheat oven to 180 C (350 F). Combine 125g/4oz (1/2 cup) softened cream cheese, 125ml (1/2 cup) sour cream, contents of pouch, 45ml (3 tbsp) grated Asiago or Parmesan cheese, 60ml (1/4 cup) chopped mushrooms, 60ml (2oz) mayonnaise in a bowl. Transfer to an oven-proof dish. Sprinkle top with the 15ml (1tbsp) grated cheese.

Bake for about 30 minutes or until it bubbles.  
Caution: very hot when removed from oven.

You may also use your Electronic Dip Warmer to heat this dip to serving temperature. Make sure to stir constantly and do not leave unattended.

Makes about 375ml (1.5 cups).  Enjoy!
